Passengers flying to and from Mackay increased 0.7%. This was due to the change in date for Easter, which was in March last year, and increased passenger numbers due to Cyclone Debbie reconstruction activity.

The comparative month-on-month statistics for the February to April 2017 period have been disrupted by factors like Cyclone Debbie, changes in the timing of Easter and the leap year. These factors disguise the underlying trend of stable passenger numbers when a like-for-like comparison is made for the quarter.
